

BEDIENUNGSANLEITUNG | KULLANIM KILAVUZU

Pa3

TK® USBSTICK

KORG & MORE
a Division of
Musik Meyer GmbH

Herzlichen Glückwunsch

zum Erwerb des Pa3X TK-USB Sticks. Auf dem USB Stick finden Sie neben dem Basis-SET (TK_Pa3X_v100.SET) ein PDF-Dokument mit einer detaillierten Installationsanleitung und einer Anleitung zum Sichern Ihrer eigenen Daten. Zur Anzeige dieses Dokuments benötigen Sie einen kostenlosen PDF Viewer, wie z.B. Adobe Acrobat Reader (www.adobe.com/de/products/reader.html).

Die Daten des Pa3X TK-USB Sticks (Styles, Sounds, PCM-Daten etc.) sind mit einem Kopierschutz ausgestattet, um Missbrauch zu vermeiden. Aus diesem Grund muss der entsprechende TK-USB Stick während eines jeden Startvorgangs zur Freischaltung der Daten am Instrument angeschlossen sein. Wenn das Instrument den Boot-Vorgang beendet hat, können Sie den USB Stick wieder abziehen und sicher verstauen. Falls Sie den USB Stick beim Einschalten des Instruments nicht am Pa3X angeschlossen haben, erscheint im Display eine Fehlermeldung die Sie daraufhin weist, dass die Software nicht ohne den passenden USB Stick genutzt werden kann.

Wir empfehlen Ihnen zusätzlich, den kompletten Dateninhalt des TK-USB Sticks nach dem Kauf auf einem weiteren Datenträger (USB-Stick oder ext. Festplatte) zu sichern. Denn so können Sie nach ungewolltem oder versehentlichem Formatieren bzw. Löschen des TK-USB Sticks, die alten Daten ohne Probleme wiederherstellen.

Ürünümüzü satın aldığınız için tebrik ederiz

Pa3X TK USB Flash Belleği satın aldığınız için teşekkür ederiz. USB Flash Bellek üzerinde Baz SET'in (TK_Pa3X_v100.SET) yanı sıra ayrıntılı kurulum kılavuzu ve verilerinizi güvenli bir şekilde yedeklemenize yardımcı olan bir kılavuz bulunmaktadır. Dokümanı görüntülemek için Adobe Acrobat Reader (www.adobe.com/de/products/reader.html) gibi ücretsiz bir PDF görüntüleyici gerekmektedir.

Pa3X TK-USB Flash Bellek üzerindeki veriler (style'lar, sound'lar, PCM verileri vs.) kötüye kullanımı önlemek için kopyalama koruması ile donatılmıştır. Bu yüzden TK USB Flash Bellek, verileri kullanıma açılması için her bir başlatma işlemi sırasında enstrümana takılı olmak zorundadır. Enstrüman boot işlemini tamamladıktan sonra USB Flash Belleği çekebilir ve güvenli bir yerde muhafaza edebilirsiniz. Eğer enstrümanı açarken USB Flash Belleği Pa3X'e bağlamadıysanız, ekranda yazılımın uygun USB flash bellek olmadan kullanılamayacağına belirten bir hata mesajı görüntülenir.

TK USB Flash Belleği satın aldıktan sonra, flash bellek üzerinde bulunan tüm verileri başka bir veri taşıyıcısı (USB flash bellek veya harici sabit disk) üzerinde yedeklemenizi öneririz. Böylece, TK USB Flash Belleği istemeden veya yanlışlıkla formatlamanız veya silmeniz durumunda eski verilerinizi sorunsuzca kurtarabilirsiniz.

Einfache Installation des Sticks | USB Flash Belleğin basit kurulumu

Eine detaillierte Installationsanleitung inklusive Datensicherung finden Sie im entsprechenden PDF-Dokument auf dem USB Stick.

USB flash bellek üzerinde bulunan ilgili PDF dokümanında, veri yedekleme işlemi dahil olmak üzere kurulumun ayrıntılı olarak açıklandığı bir kurulum kılavuzu mevcuttur.

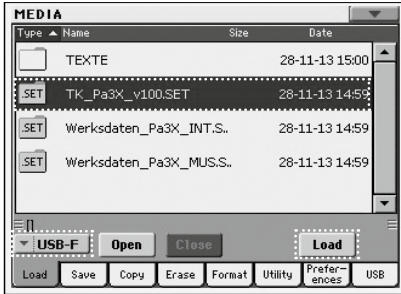

Schritt 1 | 1. adım

Schließen Sie den Pa3X TK-USB Stick an einen der beiden USB-HOST-Ports des Pa3X an.

Pa3X TK-USB Flash Belleği Pa3X'in USB-HOST portlarından birine takınız.

Schritt 2 | 2. adım

Wechseln Sie in den Media-Modus (Load-Seite) und wählen Sie links unten aus dem Dropdown Menü den USB Stick aus. Wählen Sie anschließend das Basis-SET (TK_Pa3X_v100.SET) und bestätigen Sie den Ladevorgang mit „Load“ und anschließend „YES“. Bestätigen Sie die Sicherheitsabfrage „Do you want to load favorite styles too?“ mit YES. Beachten Sie, dass der Ladevorgang einige Minuten in Anspruch nehmen kann.

Medya moduna geçiniz (Load ekranı) ve sol alt taraftaki açılır menüden USB flash belleği seçiniz. Daha sonra Baz SET'i (TK_Pa3X_v100.SET) seçiniz ve yükleme işlemi "Load" ve ardından "YES" ile onaylayınız. "Do you want to load favorite styles too?" güvenlik sorgulamasını YES ile yanıtlayınız. Yükleme işleminin birkaç dakika sürebileceğini dikkate alınız.

Schritt 3 | 3. adım

Schalten Sie das Instrument nach dem Einladen des Basis-SETs (TK_Pa3X_v100.SET) aus und anschließend wieder ein. So ist sichergestellt, dass auch alle globalen Daten richtig initialisiert wurden. *Baz SET (TK_Pa3X_v100.SET) yükledikten sonra enstrümanı kapatarak daha sonra tekrar açınız. Böylece, tüm global verileri ilk yükleme işleminin doğru şekilde gerçekleşmesi güvence altına alınır.*

Schritt 4 | 4. adım

Achten Sie darauf, dass bei jedem Bootvorgang der Pa3X TK-USB Stick am Instrument angeschlossen ist. Ist dies nicht der Fall, erscheint folgende Fehlermeldung im Display. Diese weist Sie darauf hin, dass die installierten Daten nicht ohne den passenden USB Stick verwendet werden können.

Her boot işleminde Pa3X TK USB Flash Belleğin enstrümana takılı olmasına dikkat ediniz. Eğer flash bellek takılı değilse ekranda bir hata mesajı görüntülenir. Bu hata mesajında, enstrümanda kurulu olan verilerin uygun USB flash bellek olmadan kullanılamayacağı açıklanır.

Nach dem Bootvorgang kann der USB Stick wieder entfernt werden. **Wir wünschen Ihnen viel Freude mit dem Pa3X TK-USB Stick.**

Boot işleminden sonra USB flash bellek çıkarılabilir. Pa3X TK USB Flash Belleğini güle güle kullanınız.
